Prerequisite: You MUST have already completed CCJS 100 and CCJS 105 to enroll in CCJS 418P.

Required Textbooks:

The class syllabus, individual readings, and any other supplementary files that will be used for this course are on our ELMS space under 'Files'.

Course Grading:

Your grade will be based upon 3 exams (each worth 20%), 10 of pop-quizzes (each worth 2%), a semester research project (17%), and discussion with Dr. Lehman concerning the semester research project (3%). We will discuss the research project in class.

The exams will cover material from the lectures and assigned readings. Exams are not cumulative. I have a very strict policy concerning makeup exams. Exams must be taken on the assigned day unless you have presented a valid, written excuse before the exam and made arrangements to take a makeup exam. Health center notes are not valid excuses! Dr. Lehman reserves the right to change the format of the makeup exam if he so wishes.

Academic Integrity

Academic dishonesty in any form will absolutely not be tolerated. Academic dishonesty encompasses behaviors such as plagiarism, cheating on exams and

assignments, giving false statements, etc. All students are required to sign the Honor Pledge on each exam.

I will make every effort to accommodate students who are registered with the Disability Support Services (DSS) office and who provide me with a University of Maryland DSS Accommodation form. This form must be presented to me no later than September 15th. I am not able to accommodate students who are not registered with DSS or who do not provide me with documentation that has been reviewed by DSS by September 15th. DSS students who are requesting to take their exams at the DSS Center need to provide me with a testing form for each exam that must be turned in to me no later than 1 week prior to each exam. The student is expected to take the exam at the same time as the rest of the class.
