## Course Description:

The laws concerning the medical use and legalization of cannabis are changing rapidly. This class attempts to analyze of the role of criminology and criminal justice in the understanding and control of cannabis use and abuse.

Prerequisite: You MUST have already completed CCJS 100 and CCJS 105 to enroll in CCJS 418P.

#### Required Book:

Caulkins, Jonathan P., Kilmer, Beau, and Kleiman, Mark A. R. 2016. <u>Marijuana</u>
<u>Legalization: What Everyone Needs to Know.</u> 2<sup>nd</sup> edition, Oxford University Press, New York, NY. (978-0-19-026240-2). Abbreviated **ML**.

The class syllabus, individual readings, and any other supplementary files that will be used for this course are on our ELMS space under 'Files'.

# Course Grading:

Your grade will be based upon 3 exams (each worth 20%), 10 of pop-quizzes (each worth 2%), a semester research project (17%), and discussion with Dr. Lehman concerning the semester research project (3%). We will discuss the guidelines for the research project in class.

The exams will cover material from the lectures and assigned readings. Exams are not cumulative. I have a very strict policy concerning makeup exams. Exams <u>must</u> be taken on the assigned day unless you have presented a valid, written excuse <u>before</u> the exam and made arrangements to take a makeup exam. <u>Health center notes are not valid excuses!</u> Dr. Lehman reserves the right to change the format of the makeup exam if he so wishes.

#### Academic Integrity

Academic dishonesty in any form will absolutely <u>not</u> be tolerated. Academic dishonesty encompasses behaviors such as plagiarism, cheating on exams and assignments, giving false statements, etc. All students are required to sign the Honor Pledge on each exam.

# Copyrights

The lectures I give in this class and the course materials I have created are protected by federal copyright law as my original works. You are permitted to take notes from the lectures and to use course materials throughout the semester. You may not record, reproduce, or distribute my lectures/notes/assignments for any commercial purpose without my written consent. Persons who sell or distribute copies (or modified copies) of my course materials, possess commercial copies of my notes (i.e. Terpnotes), or assist another person or entity in selling or distributing those materials may be considered in violation of the University Code of Student Conduct, Part 9(k).

## Disability Support

I will make every effort to accommodate students who are registered with the Disability Support Services (DSS) office and who provide me with a University of Maryland DSS Accommodation form. This form must be presented to me no later than September 15<sup>th</sup>. I am not able to accommodate students who are not registered with DSS or who do not provide me with documentation that has been reviewed by DSS by September 15<sup>th</sup>. DSS students who are requesting to take their exams at the DSS Center need to provide me with a testing form for each exam that must be turned in to me no later than 1 week prior to each exam. The student is expected to take the exam at the same time as the rest of the class.

Answers to other course related questions and policies may be found at the web site:

http://www.ugst.umd.edu/courserelatedpolicies.html.

There will be no curve-final grades will be assigned based on the following scale:

$$A+ = 97.00\% - 100\%$$
  $A = 93.00\% - 96.99\%$   $A- = 90.00\% - 92.99\%$   $B+ = 87.00\% - 89.99\%$   $B = 83.00\% - 86.99$   $B- = 80.00\% - 82.99\%$   $C+ = 77.00\% - 79.99\%$   $C = 73.00\% - 76.99\%$   $C- = 70.00\% - 72.99\%$   $C+ = 67.00\% - 69.99\%$   $D+ = 63.00\% - 66.99\%$   $D- = 60.00\% - 62.99\%$   $D+ = 60.00\%$
